

Location along chromosome 20 15600321

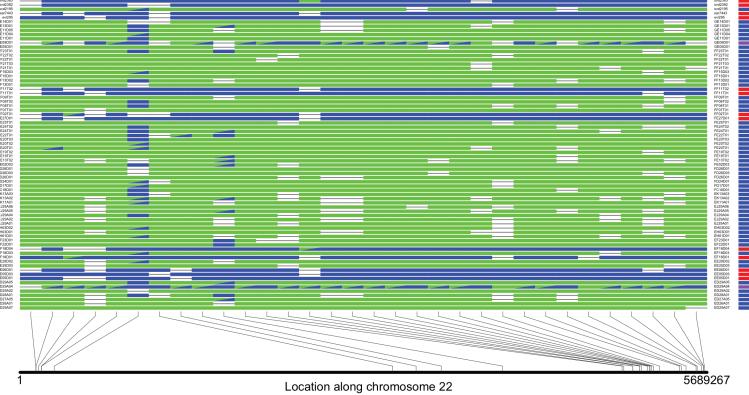

Location along chromosome 20

15600321

Location along chromosome 21 8006428

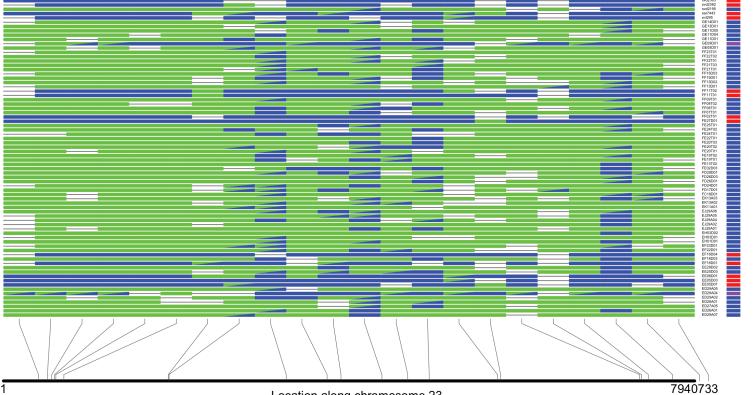

Location along chromosome 21

8006428

Location along chromosome 22

5689267

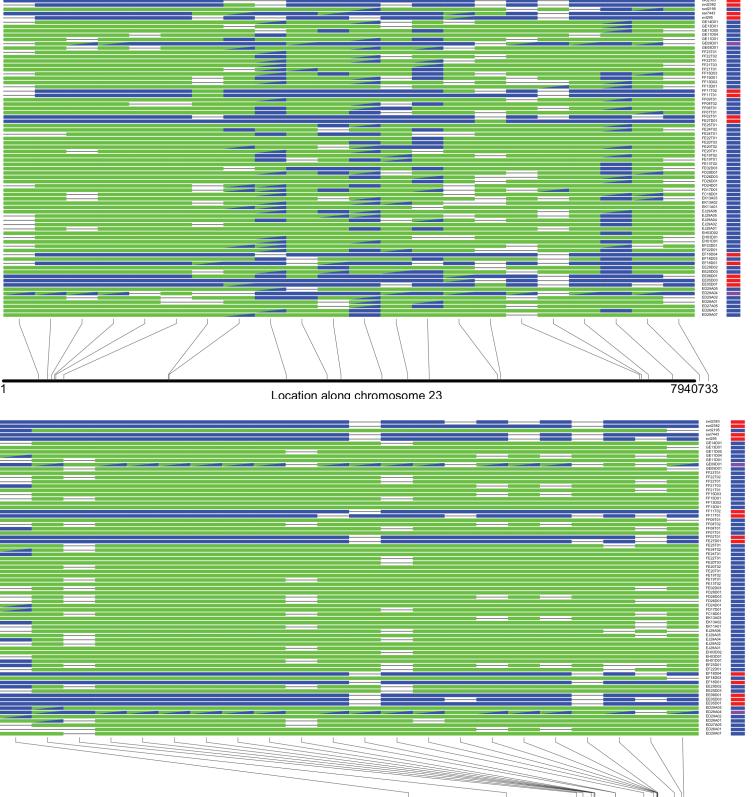

Location along chromosome 24

8006481

Location along chromosome 23

7940733

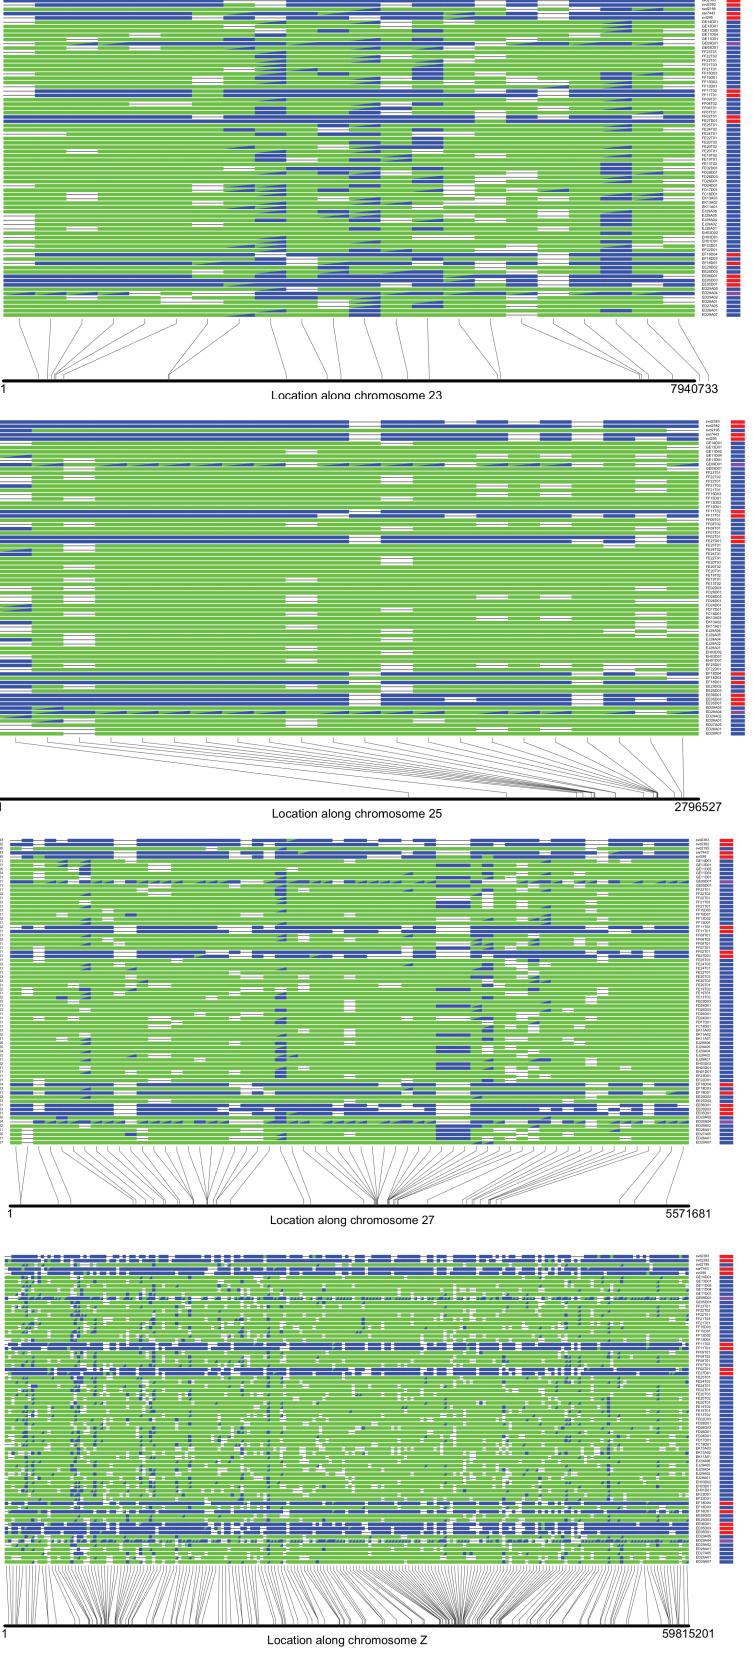

Location along chromosome 26

7634439

Location along chromosome 25

2796527

Location along chromosome 28

6181682

Location along chromosome Z

59815201
